STEP 2 Personal Statement

What Occurred:	<ul style="list-style-type: none"> Describe what occurred during the term that prevented you from meeting the standards of Satisfactory Academic Progress. Ensure your statement is well-thought-out and verifiable. Extenuating circumstances are defined as those where the student has no control, are significant and documentable, are unforeseeable, and had a direct impact on the student's ability to successfully complete the term. Some examples may include: death in the family, medical/illness, or other situations which were out of your control. Personal choices, while they may be well intended, do not constitute extenuating circumstances for which the student has no control. If illness was a factor, provide documentation from a doctor indicating the onset, duration, and severity of the illness and provide the date that you were healthy enough to return to school. Multiple appeals for the same reason are not allowed.
Resolution:	<ul style="list-style-type: none"> Describe the steps you have taken to resolve the issue. For example, if you had childcare issues, how have you resolved them?
Plan for Success:	<ul style="list-style-type: none"> Explain your plan for success this term and in future terms. Please include changes that have taken place to ensure your future success.

If you need assistance writing your statement, the Writing Center is available in the Dye Learning Center.
